

## Local Energy Markets and Energy Communities

on **8 October 2019, 9:00-13:00**

La Bourse, Place d'Armes 1, 5000 Namur, Belgium

Registration: [http://www.eranet-smartenergysystems.eu/register\\_event.asp?id=43](http://www.eranet-smartenergysystems.eu/register_event.asp?id=43)

This meeting is organised in the framework of the  
Joint Programming Platform - Smart Energy Systems Conference 2019

The **National Stakeholder Coordination Group (NSCG)** of the ETIP Smart Networks for the Energy Transition is a **sounding board and exchange platform for national R&I stakeholders in the area of smart energy systems and networks**, enabling them to contribute actively to the European SET-Plan Action 4 and the implementation of its Implementation Plan. The NSCG addresses *national R&I policy makers, R&I funding program managers, key research institutes* (typically members of EERA), *R&I platforms* ("Technology Platforms" or similar – typically consisting of grid operators, technology providers, R&D-institutes) and *experts from regulators*.
