

The latest news and announcements

INSIDE

Podcast

The [second episode](#) is available now. Also check out the new podcast section on our [website](#).

New projects

The [projects](#) of the MI Call 2020 have been selected. Welcome the family!

Working Group Meetings

The next [joint meeting](#) of our five Working Groups is held on 17 March 2022, 14:00-16:30 CET.

ISGAN Awards

Nominations are now open for the 8th [ISGAN Awards](#) of Excellence.

The second episode of the Clean Energy Transition is out now!

Interested in energy related current affairs, research, and innovation? "[How to tap into the benefits of sector integration in heating?](#)" available now. This episode's guests are Fredrik Lundström from the Swedish Energy Agency and Co-Chair of the JPP SES, the projects Heatflex, represented by Jakob Worm, and NewSETS, represented by Juhani Riikonen. Tune in [here](#)!

After Fredrik Lundström gives insights in the role of funding in the energy transition and his work., we learn about district heating in the energy grid form Jakob Worm. Our last guest Juhani Riikonen gives insights into the work of NewSETS to create an energy autonomy island on Åland islands in Finland.

>> MICall20

New projects!

We are happy to announce that 21 new projects will join the JPP ERA-Net SES project family.

The projects of the Joint Call 2020 (Micall20) on Digital Transformation for Green Energy Transition have been selected. They all contribute to the aim of the call to accelerate the implementation, adaption, and knowledge creation of digital solutions in energy systems and networks.

Find an overview of the projects [here](#).

More information will follow when the projects start their work this spring!

Working Group Meetings

JPP ERA-Net SES facilitates the exchange between experts in the field of smart energy systems. The next joint meeting of our five Working Groups is held on 17 March 2022, 14:00-16:30 CET.

[Register now!](#)

The upcoming Working Group Meeting will bring together members of all five Working Groups to review the by then prepared drafts of the Policy Brief 2022 Edition. Following the Working Group Meeting in Spring, the Working Group Leads will finalize the Policy Brief 2022 Edition to be submitted to the Steering Board in April 2022.
